Enrollment steps 1, 2 & 3

Step 1
Apply online

- You may apply to ARC or any other Los Rios college and enroll for classes anywhere in the district by going online to eServices through the ARC web site. Start at [www.arc.losrios.edu].
- Personal assistance is available at the ARC eServices Center, located in room 605. Enrollment options are explained, beginning this page.
- Your online application will be processed quickly and you will soon receive information on how to proceed toward enrolling in classes.

How to apply online (It's this easy!)

- Use the online application [www.arc.losrios.edu].
- See page 7 for the website illustration showing the fast link to the online application.
  1. On the ARC home page, click on “Prospective Students” on the left-hand side of the page, and then click on “Apply.”
  2. Read the instructions before starting your application and allow at least 30 minutes to complete and submit the application. Links to the online application are included in each definition of “type of student.”

Step 2
Get your student I.D.

1. Once your application is successfully submitted, allow up to 30 minutes for processing.
2. Then go to the ARC home page and click the button for Current Students.
3. Follow the instructions to the left of the eServices Login page to find your Student I.D.
4. Follow the directions for determining your enrollment appointment.

Note: Enrollment appointments are provided only for the Priority 1, 2, 3 and 4 enrollment periods. The open enrollment period is first-come, first-served. See enrollment schedule, page 10. If you are experiencing difficulties please call 484-8152 for assistance.

Step 3
Prepare to enroll in classes

First-time college students

If you will be a high school graduate OR at least age 18 and never before enrolled at any college:

- First-time college students must complete the Pre-Enrollment Process (assessment, orientation and counseling).
- Once you complete the steps described below, you will be authorized to enroll for classes within 48 hours and provided a registration appointment (Priority 1, 2, 3 and 4).

1. Take the assessment tests for English or English as a Second Language, and Math.
   - Find the assessment test schedule through the ARC home page, at the Assessment Center, and at Information Services in the Administration building.
2. Attend new student orientation and counseling.
   - Locate the orientation and counseling schedule on the ARC home page and at the Counseling Center.
   - You must bring to orientation and counseling your assessment test scores and high school transcript, including work in progress if you are still in school.
   - If you completed the online orientation, you will need to make an appointment to see a counselor. Bring a print-out of the last page of the online orientation, your assessment test, and high school transcripts to your appointment.

High school students

If you will be a high school junior or senior in grades 11-12, or at least 16 years of age as of fall 2012, you may be eligible to enroll in a maximum of two ARC courses each semester on Advanced Education status.

You must follow the following steps each semester you wish to enroll as an Advanced Education student.

1. Read the entire Advanced Education form, which includes guidelines indicating which courses are appropriate for Advanced Education students and which are excluded.
2. New students: Complete the online application, indicating that you are an advanced education student, not a new or transfer student. Continuing students: Complete the supplemental information form.
3. Complete the Advanced Education application (available at your high school counseling office or online at http://arc.losrios.edu/counsel). Your high school counselor must recommend specific courses and the form must be signed by your high school counselor/administrator, your parent/guardian and you.

4. Take the English and/or Math assessments if they are required for the classes you wish to take.

5. Bring your completed Advanced Education form, personal statement and high school transcript with you to meet with a counselor at ARC well before registration.

Advanced Education students: You must complete all these steps before the first day of instruction for the semester.

Requirements are:

1. Exemplary academic achievement, as demonstrated by multiple measures including, but not limited to grade in similar courses, GPA of 2.7 or above, analysis of transcripts, assessment results, other student achievements, and/or letters of support from high school counselors and teachers.

2. Must be at least 16 years old or have completed the sophomore year of high school by the first day of instruction for the semester.

3. The course you want to take is not available to you at your school during the semester you are enrolled at ARC.

4. The course is not remedial (not below the 100 level).

5. The course is not being repeated due to an unsatisfactory high school grade.

6. The course is for advanced study and you are able to demonstrate adequate preparation and have completed prerequisites for the course.

Special note: Although Advanced Education students who are California residents are not charged enrollment fees, you will be charged the mandatory UTP fee and will be entitled to receive the Student Access Card. Non-residents, including international and undocumented residents, must pay non-resident fees.

For more information or to make a counseling appointment, please call (916) 484-8572.

Continuing students

- Attended spring 2012 classes at any Los Rios District college and are planning to enroll in spring term.

You must update your Supplemental Enrollment Information form for every semester/term in which you wish to enroll. You may complete this process by logging on to eServices through the ARC web site at [www.arc.losrios.edu].

Returning to ARC, transferring from a non-Los Rios College, or already have a degree

- Complete a new ARC application for enrollment prior to enrolling in classes.

- You are not required to participate in the pre-enrollment process, but are invited to see a counselor for academic counseling.

International students

If you are both a resident and a citizen of any foreign country and cannot establish California residency under your current visa, you will receive specialized information on application, enrollment, documents and fees as an international student.

- Applicants for the F-1 visa must submit an application for an I-20 available from the International Students office, in the ARC administration building.

- Those currently holding a B, E, or J visa must contact International Students at (916) 484-8774 prior to applying for admission and enrolling in classes.

Exemption from the pre-enrollment process

- All first-time college students must complete the process unless they meet the exemption criteria. Those who believe they are exempt and wish to challenge the Pre-Enrollment Process may do so by contacting the ARC Counseling Center at (916) 484-8572.

- First-time college students (not including those on Advanced Education status) may be exempt from orientation, assessment and or counseling by either one of the following two criteria:
  1. Student has completed an associate degree or higher.
  2. Student has at least two of the following:
     a) Identified a goal of upgrading job skills
     b) Enrolled in fewer than 6 units
     c) Enrolled concurrently in another post-secondary institution
     d) Declared no degree or occupational objective

### How to avoid being dropped for non-payment

Payment of enrollment fees must be processed within fourteen (14) days of registration, or by Friday, June 8, 2012 for summer semester or Friday, August 24, 2012 (whichever comes first) or you will be dropped. After the semester has started, payment is due immediately upon registration or you will be dropped. You must officially drop a class to avoid being charged for it. See deadlines on page 3.

You do not have to pay fees for a class for which you are on the wait list. However, once you are automatically moved from the wait list into the class, you are responsible for paying fees for that class within the timeline stated above. You are responsible for checking your wait list status each day and/or removing yourself from a wait list as you will not be notified of your enrollment status. Payment for fees can be made online using Visa or MasterCard.

Step 5

Enroll in classes

Access your enrollment appointment
(Priority 0.5, 1, 2, 3 and 4 only)

- Students will be assigned a registration day and time (appointment). This information can be accessed online
- To find your registration appointment, click on “View Enrollment Appointment” once you access the eServices online.
- You may enroll on your appointment day or anytime after, up through the last day to add classes.

Enrollment options

You have TWO ways to enroll in classes at Los Rios colleges.

1) Online registration through Los Rios eServices.
   New, easy to follow directions are online.
2) Self-service or staff-assisted enrollment at the ARC eServices Center.

Online Enrollment

Go to www.arc.losrios.edu or ARC eServices Center, in Portable Village, Room 605

Before you start

Make sure you have submitted your application or updated your Supplemental Enrollment Information Form.

Get started

On the ARC home page [www.arc.losrios.edu], click on the “Current Students” link, then choose “eServices.” When you reach Online Los Rios eServices (see screen picture at right), the system will require you to enter your Login (Student) ID and Password. The login ID is your 7-digit Student ID Number preceded by the letter “W”. For example: W0049658

Follow the online directions for entering your password.
(Don’t have or know your Student ID Number? The login screen will explain how to find it.)

Getting started

When you are ready to enroll (register for classes), go to the ARC website [www.arc.losrios.edu], and click on “Current Students.” Then click on “eServices” in the center of the page to log into the eServices system (see screen shot below).

Tips

- Variable unit classes are offered for 0.25–3, or more units. Be sure to type in the number of units you want when you enroll so that your fee is correct.
- Correct your class schedule, if necessary, by first dropping the course and then adding it back in with the change in units before the end of the second week of instruction for full semester courses.

Staff-assisted registration

Visit the ARC eServices Center in the Portable Village, Room 605, during eServices open office hours. See map on next page and office hours on page 5.

Before you start

Make sure you have submitted your application or updated your Supplemental Enrollment Information Form.

How to use ARC eServices

Log on to the eServices website at www.arc.losrios.edu and click on eServices Help for complete instructions. For in-person help, visit the ARC eServices Center in ROOM 605 during eServices open office hours. Open hours are shown on page 5 of this guide.
**eServices online registration**

You can search and add/drop classes, pay your fees, and get your class schedule. Just follow the simple “1-2-3” steps below to get started:

1) Go to your eServices Student Center to select your classes and put them in the Shopping Cart.

2) Next, press the “Proceed to Step 2 of 3” button at the bottom of the page to confirm the classes you want to take.

3) Press the “Finish Enrolling” button to enroll in the classes you placed in your Shopping Cart.

The third step is very important because this is the way you “check out” your classes and finish the enrollment process. After you have finished enrolling, there should be no classes in your shopping cart. They should all be in your schedule of classes.

At right is an example of what the eServices page looks like. Each screen has its own help page, so you can ask questions at any point.

If you have any questions now, or would like to preview how the new process works, please go to our online help center [www.losrios.edu/lrc/eserv_faq.html].

Map below shows the location of the eServices Center in the Portable Village, Room 605.
Enrollment steps 5 and 6

“Wait List” tips
If you choose to be on the Wait List for a class, please be advised of the following:

1. Wait list status will change throughout the enrollment period.
2. After the first day of the course you cannot get on a wait list, you will need to attend the class and get a permission number or signed add slip.
3. You need to attend the first class meeting in the event you will be moved into the class.
4. You need to insure your email address is current as that is the only communication you will receive regarding your wait list status.
5. You need to regularly monitor your wait list status.
6. You need to drop course(s) if you have been moved into the course(s) from the wait list and you do not want to take the course.
7. Maximum number of units that can be wait listed for fall or spring is 12.0, for summer max is 5.0 units.
8. Once on the wait list for course, you cannot enroll in another section of the same course i.e.: ENGWR 300 wait list, enroll in ENGWR 500.
9. You are not charged enrollment fees until you are enrolled in course.
10. If you receive a six-digit permission number from your instructor and you are on the wait list for that class, you must first drop the wait listed course, and then enroll for the same course putting the permission number in the required box. Then press the submit button, waiting for Success under the Add Status column.
11. You will be dropped from wait-listed class if dropped for non-payment.
12. You will receive notification that you have been moved into wait listed courses per your LRCCD iMail account.

Step 6
Pay your fees

Summer and fall semester fees are mandatory for all students unless noted otherwise. Fees are subject to change without notification. You will be billed for any fee increases.

Enrollment fee payment deadlines

- Payment is due upon registration. If you register prior to the start of the semester, your payment must be processed within fourteen (14) days of registration or by Friday, June 8, 2012 for summer semester or Friday, August 24, 2012 for fall semester, whichever comes first, or you will be dropped. After the semester has started, payment is due immediately upon registration, or you will be dropped.
- It is your responsibility to drop any unwanted classes by the deadline identified for the term. Failure to drop by the deadline may result in any of the following: 1) debt to the college; 2) a notation on your record. See deadlines, page 3.

Surprised by a fee?

- You will be automatically enrolled from the Wait List and payment of fees are due within fourteen (14) days of registration or by Friday, June 8, 2012 for summer semester or Friday, August 24, 2012 for fall semester, which ever comes first, or you will be dropped. Check your wait list status daily.
- If you are automatically enrolled from the Wait List and decide not to attend the class, you are responsible for dropping by the deadline identified for the term. Failure to drop by the deadline may result in a debt to the college and/or a notation on your record.

How to pay enrollment fees

- Payment by VISA or MasterCard may be made by students who enroll Online, at ARC eServices, in Business Services in the Administration Building and at the Natomas Center.
- Payment by check, VISA, or MasterCard may be mailed using the payment coupon.
- Cash payments may be made only at the ARC eServices center, at Business Services in the Administration building, or at the Natomas center. Do not mail cash.
- If you are paying by mail or in person, your payment must be received by the Business Services office no later than ten (10) days following registration or by Friday, June 8, 2012 for summer semester or Friday, August 24, 2012 for fall semester, whichever comes first, to allow time for manual processing. Do not mail cash.
Paying other fees

Non-resident tuition

Students who have not established legal residence in California are required to pay tuition and fees for a total of $254 per unit for spring. At the time of this publication, fees were set at the level shown here, but are subject to change pending legislative action. Students will be billed for and are required to pay any increased fees. Please contact Enrollment Services for details regarding residency requirements. Payment for non-resident tuition must be paid at the time payment for the enrollment fee is made.

California non-resident tuition waiver

Any student, other than a non-immigrant alien, who meets the following requirements, may be exempt from paying nonresident tuition at the California Community Colleges, the California State University and the University of California (all public colleges and universities in California).

Requirements:
- The student must have attended a high school (public or private) in California for three or more years.
- The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam.)

Additional information and California Non-resident Tuition Exemption. Request forms available at ARC Enrollment Services, Administration Building.

Military personnel residency status

Military personnel who are stationed on active duty in California and their eligible dependents are granted resident classification. This resident classification will continue for the duration of the student’s enrollment.

International student tuition

Students who are both a resident and citizen of a foreign country and are in the United States on a F, B, or J visa must pay tuition and fees for a total of $254 per unit for fall. International students attending on a student visa (F-1) issued by American River College must enroll in a minimum of 12 units and maintain good academic standing.

Payment of all fees must be made in full at the time of registration. (Note: Some visa types restrict or limit school attendance. Visit the Enrollment Services office for details.)

Credit by examination

A per-unit fee equivalent to the general enrollment fee and non-resident/international student tuition fee (if applicable) will be required for any units awarded by means of examination.

Contact Enrollment Services in the administration building for the form that must be completed prior to paying the fees for credit exam.

Materials fees

You may be required to provide instructional and other materials for a particular course. Instructional material fees are to be paid at Business Services in the Administration building.

Student representation fee

Under provisions of California Education code section 76060.5 and California Code of Regulations, Title 5, sections 54801-54805, the students of this college have established a student representation fee of one dollar ($1.00) per semester.

Use of fee. The money collected shall be expended to provide for students or representatives who may be stating their positions and viewpoints before city, county and district government, and before offices and agencies of the state and/or federal government.

Right to refuse to pay: This fee is mandatory; however, a student has the right to refuse to pay for the following reasons: religious, political, moral and financial. This refusal must be in writing and submitted to the college Business Services office on form #GS55A which is available in your college Business Services office.

Universal Transit Pass Fee

LRCCD Students approved a Universal Transit Pass fee that provides students with a special unlimited pass to use on all public transit systems in Sacramento, Elk Grove, Yolo, Folsom and El Dorado County. The pass can be used seven days a week for the FALL semester. The semester fee is $5.54 for less than six units; $11.08 for 6 to 11.9 units; and $16.62 for 12 units or more (students receiving a BOG Waiver pay half the unit rate).

The fee is waived for students enrolled in the Criminal Justice Training consortium; and apprenticeship programs; those UC Davis students taking classes on the UC Davis main campus; and students studying abroad. Students enrolled only in online courses may request a refund on form #BS23.

Student Access Card

The Student Access Card serves as the ARC student all-in-one card.
- College Student Photo ID card – for all campus services and activities.
- Regional Transit card – for all transit / transportation services provided in accordance with the Los Rios Community College District partnership agreement supporting student rider patronage privileges (fall and spring terms only) of each academic year. There are no summer RT transit pass privileges.
- College Library Card – accessing all Los Rios library and other instructional and support services offices that are open during fall, spring, and summer terms.
Enrollment step 6

- Go-Print Copy Card — pay-for-print copier systems on campus.
- Student Discount Card — at participating stores and merchants.

Students can get their Student Access cards and RT validation stickers beginning August 1st for fall semester. To obtain the card, students need to bring a photo ID to any one of the campus ID card stations. For your card to be valid for RT use, it must have the current fall or spring semester sticker attached (not valid for summer RT-user). For more information regarding access cards, contact Information Services at 484-8923.

Parking fees
Who pays
- All people who park a motorized vehicle on campus, day or evening must pay a parking fee.
- Financial aid students. Students who qualify for a BOG waiver may purchase one parking permit per semester at the reduced price of $20.
- Disabled students. Parking spaces for disabled students are available in all student parking lots. Students with disabilities, and persons providing transportation services to students with disabilities, must pay either semester or daily parking fees.
- A placard issued by Department of Motor Vehicles for persons with disabilities, or a distinguishing license plate for persons with disabilities, and a valid semester or daily parking ticket must be properly displayed on the vehicle.
- Temporarily disabled students. Students with a temporary disability may obtain a special parking permit from the ARC Health Center that allows parking in spaces designated for disabled persons. Students who are issued the special college permit must still pay the established parking fee. The special parking permit, due to the temporary disability, and either the semester permit or daily parking ticket must be properly displayed on the vehicle. Failure to display the appropriate license plate, placard or special permit as described above will result in a parking citation.
- Off-campus students: Parking fees are charged at the college’s off-campus Natomas Center. However, no parking fees are charged at McClellan, and any other sites where ARC classes are scheduled.

Cost of parking
- A parking permit (decal) costs: Automobiles $15, motorcycles $8 for summer semester, and Automobiles $30, motorcycles $15 for fall semester
- An alternative to the semester permit is a daily $1 parking pass available from machines located inside the entrances to ARC’s student parking lots (see map at the back of this publication).

Cost of not having a permit
- Vehicles not having a valid parking decal, or daily parking ticket, properly displayed will be given a parking citation, beginning the first day of the term or semester.
- Citations can cost you $33 or more, depending on where the violation occurs.

How to buy a permit
- Online parking purchase through Online Los Rios eServices. Permits will be mailed.
- Complete the payment coupon and return/mail it to ARC Business Services. Permits will be mailed.
- Parking permits may be purchased at Business Services beginning 15 days prior to the first week of the summer term and 30 days prior to start of fall term.

Where to display your permit
- Display parking decals on the lower passenger side of the front windshield or hang it from the rearview mirror so that it is visible through the windshield. An optional plastic decal holder is available at Business Services in the Administration Building.
- The daily parking permit is to be displayed face up on the dashboard, on the passenger’s side. Remove all other expired tickets from the dashboard.

If you need another semester parking pass
- If a parking decal is lost or stolen, a new permit must be purchased.
- If your vehicle is sold, or if the bumper or windshield are damaged, you must show proof of sale or repairs and bring in the old decal (decal number must be intact) before another will be issued by Business Services. There is a $2 charge for replacement of decals.

### Enrollment fee refund policy

See the refund deadline dates on page 3. There is no refund for courses dropped after the deadlines. Refund eligibility is determined by the date the course is officially dropped, either in person or by using eServices. Requests for enrollment refunds must be filed by the last day of instruction in the semester or term for which the fee was paid or they will be disallowed. Credit balances will be forfeited and do not carry over to the next semester/term. To be eligible for an enrollment fee refund you must first drop a class using eServices or by completing a drop form at Enrollment Services by the refund deadline, AND completing a Fee Refund application at Business Services by the end of the semester/term.
eligibility for financial aid

Students who wish to be considered eligible for financial aid must:
1. Demonstrate financial need;
2. Be a U.S. citizen or eligible non-citizen;
3. Not be in default on a Perkins Loan, National Direct Student Loan, Stafford Loan, Guaranteed Student Loan, PLUS Loan, or Supplemental Loan for Students (SLS);
4. Not owe a refund on a Pell Grant or Supplemental Educational Opportunity Grant;
5. Be making satisfactory progress (financial aid academic);
6. Agree to use any federal student aid received solely for educational purposes;
7. Have earned a high school diploma or GED/proficiency certificate, or have passed the ability-to-benefit test;
8. Submit all requested documents to the Financial Aid office.

Many of these items are collected at the time students apply for financial aid. Before financial aid is awarded, the Financial Aid office will verify that a student is enrolled in an eligible program and that he or she is making satisfactory progress.

Reminder: Men are required to register with the Selective Service System upon reaching 18 years of age in order to be eligible for financial aid.

applying for federal financial aid

The free application for federal student aid (FAFSA) is used to apply for campus-based aid and the Pell Grant/Student Loans. The application allows the government to calculate an impartial analysis to determine the expected family contribution.

The FAFSA form is available online at [www.fafsa.ed.gov]. When you complete the FAFSA application, list American River College (school code: 001232) as the college of choice.

In approximately three weeks the Federal Student Aid Program will mail your Student Aid Report (SAR). You will be notified by email of the required documentation needed to complete your file. Documentation requested is confidential and must be furnished if you are to receive aid. Students are notified by email of their financial aid eligibility.

tips for staying eligible for financial aid

1. Enroll in the courses required for your stated goal of certificate, degree or academic objective.
2. Complete the courses in which you enroll. Any 'W' grades you receive will impact your progress/completion rate. So choose classes wisely!
3. Meet with your counselor before making changes to your class schedule once the semester/term begins.
4. Contact the Financial Aid Office if you have any specific questions or concerns.

Step 7
How to get refunds

Enrollment fee refund policy

- The enrollment fee, non-resident tuition fee, international tuition fee or Universal Transit Pass fee (if a sticker has not been picked up) is refundable for program changes made by Friday of the 2nd week of instruction for full term courses or by Friday of the first week of instruction for short-term courses (short term = any course less than full term).

- Refund eligibility is determined by the date the course is officially dropped, either in person or by using eServices. Requests for refunds must be filed by the last day of instruction in the semester for which the fee was paid or they will be disallowed. Credit balances will be forfeited and do not carry over to the next semester/term. Application and installment payment fees are non-refundable.

Obtain a Fee Refund Application at the Business Services office in the Administration Building.

A Fee Refund Application may also be submitted online at www.losrios.edu/refundapp.htm. Fee refunds will be processed within six to eight weeks, whether a student applies for a refund online or at Business Services.

If you add classes and pay fees after the refund deadline for the term in which you are adding, the fees are non-refundable.

Note: For those classes not scheduled during the standard class sessions, all add and drop activity must happen the day before the first class in order to avoid fees and penalties. See page 3 and 17 for enrollment fee refund deadlines.

For sessions not listed, all identified as “OT” (Other Term), use the day before the class begins as the last day to drop for a refund and/or to drop without a “W” notation.

Parking fee refunds

Semester parking fees are fully refundable during the first five (5) days of summer semester and the first ten (10) days of the fall semester. There will be no refunds after June 15, 2012 for summer and September 7, 2012 for fall semester. To receive a refund a student must attach the decal to the refund application form being submitted.
Prerequisites, corequisites and advisories

How to qualify for courses

Many courses and educational programs have enrollment conditions such as prerequisites, corequisites or advisories on recommended preparation. These faculty-approved conditions are considered necessary and appropriate to ensure that students are adequately prepared to succeed in the course or educational program. Enrollment restrictions are defined below. It is the student’s responsibility to meet any and all enrollment conditions.

- **Prerequisite:** A course that a student is required to take in order to demonstrate current readiness for enrollment in another course or educational program. For example, in order to take English 301 (College Composition & Literature), you must already have completed English 300 with a grade of “C” or better.
- **Corequisite:** A course that a student is required to simultaneously take or have completed with a grade of “C” or better, to enroll in another course.
- **Advisory on recommended preparation:** A condition of enrollment when a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Students who believe that they have satisfied the advisory by means other than the stated advisory are urged to consult with the appropriate department to determine their readiness to enroll in the course or educational program.

Verifying prerequisites

Students enrolled in courses that have a prerequisite must provide verification to the instructor that they have met the prerequisite. Supporting evidence includes:

- Transcript that verifies that you have earned a ‘C’ or better in the prerequisite course. Los Rios students may print an unofficial transcript by logging on to eServices at [www.arc.losrios.edu](http://www.arc.losrios.edu).
- A **prerequisite verification form** signed by a counselor.
- Letters of verification of required work experience.
- Performing arts supporting portfolio or audition.
- *Note:* If you have a transcript from any college outside Los Rios, you must see a counselor for verification.

Verifying corequisites

Your **personal class schedule** provides verification of enrollment in a corequisite course or prior completion of a course. If you want to add a class, you must present the verification of enrollment before the instructor will sign the add card.

**Prerequisite and corequisite challenge process**

- If you do not have the credentials described above but believe that you should qualify to enroll in the course, or one of the conditions below exists, then you may challenge a prerequisite.
- We suggest that you file a challenge at least one week before the beginning of instruction. Prerequisite Challenge Forms are available at all instructional area deans’ offices and at the Counseling Center.

**Criteria for challenging a course**

- You have knowledge or ability to succeed in the course without the prerequisite.
- The course that provides the prerequisite is not readily available.
- You believe that the prerequisite is discriminatory or being applied in that manner.
- You believe that the prerequisite was established in violation of regulations and/or the established District-approved policy and procedures.

Once you have completed the challenge form, your challenge will be reviewed by the appropriate department’s prerequisite challenge committee. You will be informed in writing of the committee’s determination within **five working days of the review**. (Working days consist of days that faculty are on campus and classes are in session beginning with the first day of instruction). If a student enrolls for a class and does not meet the prerequisite, the instructor must drop the student from the class and the student may complete the required paperwork for a refund.

Academic renewal without course repetition

Courses and grades from the past that no longer reflect your current educational objective or current level of academic success may be discounted (ignored) in computing your grade point average. However, you must ask for this through a petition, and the following conditions must apply:

1. No more than 30 units of substandard grades may be discounted.
2. A minimum of 12 units must be earned with C grades or better.
3. A minimum of 12 months must have elapsed between the time the substandard grades were earned and the 12 units of C or better grades were earned.
4. Current educational objectives must be discussed with a counselor and the counselor’s recommendation must be included on the petition.
5. Under no circumstances may course work be discounted that has been used in the fulfillment of requirements for an earned degree or certificate.
6. All grades will be shown on the permanent record and transcript of grades. However, a proper notation on the transcript will indicate the specific grades that have been discounted from the grade point average. Obtain the form at Enrollment Services, eServices or the Counseling Center.
7. Courses renewed cannot be repeated.

Academic standing and dismissal

Your “academic standing” refers to whether you are doing satisfactory work, which normally means a grade point average (GPA) of “C” or better (2.0). Check the ARC catalog for complete details regarding grading standards, probation and dismissal.

If you have attempted at least 12 college units and your cumulative GPA falls below 2.0, you will be placed on Academic Probation. You will be placed on Progress Probation if 50% or more of your grades are W (Withdrawn), NP (No Pass), NC (No Credit) or Incomplete.

If you are placed on probation you may be required to enroll in a College Success class. If your GPA remains below 2.0 for three consecutive semesters, you may be dismissed for one semester. Likewise if you are on Progress Probation for three consecutive semesters, you may be dismissed for one semester.

For more information, contact the Counseling Center at 484-8572.

Attendance Requirements

The Los Rios Community College District (LRCCD) attendance requirements are as follows: Per Policy P-2222 students are expected to attend all sessions of the class in which they are enrolled. Any student with excessive absences may be dropped + from class. Any student who is a no show shall be dropped from a class (CA Code of Regs., Title 5, 58004).

Non attendance at first class

As stated in LRCCD Regulation R-2222 Students who fail to attend the first session of a class may be dropped by the instructor.

Excessive absence defined

As stated in LRCCD Regulation R-2222 A student may be dropped from any class when that student’s absences exceed six percent (6%) of the total hours of class time. Instructors shall state in each course syllabus what constitutes excessive absence for that course.

No shows

As stated in LRCCD R-2222, students who have not attended at least one of the first three sessions of a class will be dropped as a no show following the third session of the class. (CA Code of Regs., Title 5, 58004) If a class is scheduled for only one session per week, then students who have not attended at least one of the first two sessions of a class will be dropped as a no show following the second session of the course.
After classes begin

Auditing

Auditing (sitting in a class without enrolling for credit) is not permitted at any Los Rios Community College. All students must be enrolled and fees paid for all classes by the last day to add. Requesting to take a class for Pass/No Pass will result in having the class and units earned appear on your transcript (see Courses and Grades.)

Catalog rights and graduation requirements

For purposes of graduation from any of the colleges in the Los Rios District, students remaining in attendance in one session (quarter, semester or summer session) at any California community college, or any combination of California community colleges, campuses of the California State University, the University of California, or any regionally accredited institution of higher education, may elect to meet the requirements in effect at the Los Rios college from which the student intends to graduate as follows:

1. Requirements in effect at the time of admission to a Los Rios college, or;
2. Requirements in effect at the time the student originally enrolled in an accredited college or university, or;
3. Requirements in effect at the intended date of graduation from a Los Rios college.

A college may authorize or request substitution for discontinued courses. Students changing their major field of study may be required to complete those requirements for the major in effect at the point of change.

For purposes of this section, “attendance” means attendance in at least one session (quarter, semester or summer session) in each calendar year. Absence from attendance at another accredited institution is not considered an interruption in attendance.

Course numbering

1-99 Basic Skills and Developmental courses are numbered 1-99. They are not acceptable for associate degree or transfer credit.

100-299 College-level, non-transfer courses are numbered 100-299. They are primarily occupational or technical and meet associate degree requirements such as apprenticeships and fire technology. Some are acceptable for transfer by four-year institutions offering degrees in similar subject matter. Check with your counselor.

300-499 College-level, transfer courses are numbered 300-499. They meet requirements for associate degrees and are generally accepted for transfer to four-year institutions to meet major, general education, breadth, or elective credit requirements. Check with your counselors regarding transferability of course to the University of California, private colleges, and out-of-state universities.

1000-1999 Courses at the 1000 level are typically continuing education courses for working professionals who need to update their skills for employment or licensure. The number range 1000-1999 also includes contract education courses offered by the Sacramento Regional Public Safety Training Center and other college units. The 1000 number may also be used for tutoring and other attendance-only courses such as Supervised Tutoring (e.g., HSER 1000 or HCD 1000), and for block scheduling purposes (e.g., Learning Community courses).

Graduation

If you are a candidate for graduation you must complete a petition for the Certificate of Completion and/or Associate in Arts or Associate in Science degree with a counselor when planning your last semester at American River College. The deadline to file an application for a degree or certificate for summer 2012 is Friday, June 22, 2012 and for fall 2012 is Friday, October 5, 2012. Applications for a degree must be reviewed by a counselor and submitted to Enrollment Services by the deadline.

Requirements for a certificate and for graduation with an Associate of Arts or Associate of Science (AA or AS) degree change from year to year, both in general education and in your area of concentration (major). You should consult a counselor regarding questions about AA or AS degree requirements and which catalogs may be used.

Leave of absence

Students may petition for leaves of absence from a college of the Los Rios Community College District in order to maintain catalog rights to a specified degree requirement option. Leaves may be granted for verified medical or military situations that prevent a student from attending classes in any session in a calendar year.

Leaves shall be limited to two successive calendar years (District policy 7243). Students requesting a leave of absence should do so using the student petition form. A counselor’s signature and supporting documentation from a medical provider or military orders must be submitted to the Dean of Enrollment Services prior to the term for which the leave is being requested.

Pass/No Pass

Some courses allow you to enroll and receive Pass/No Pass instead of a letter grade. You must:

- Enroll and pay for the course and meet all of the course requirements.
- Petition for Pass/No Pass grading with Enrollment Services no later than the published deadline. Petitions are available at Enrollment Services.

A “Pass” grade means that you have earned a C or better. A “No Pass” grade means that you have earned less than a C. These grades are not computed in your GPA, but do affect progress, probation and dismissal.
You may select one course per semester to petition for “Pass/No Pass” grading. When your petition is submitted it will be reviewed to determine if you are eligible for the Pass/No Pass option. You will be notified by mail if your request is denied. A total of 20 “Pass” units may be earned at ARC. A “Pass” notation is recorded on the permanent record if the equivalent of a “C” or better grade is earned. A “No Pass” notation is recorded if a D or F grade is earned in the course. Once given, the “Pass/No Pass” grade may not be changed to a letter grade.

Short-term classes

Most courses in this schedule meet for 16.4 weeks or 8 weeks. However, some courses are short-term, and may meet for five weeks. In this class schedule:
- “First” preceding the class listing indicates that the class is offered during the first 5 or 8 weeks of the semester/term.
- “Second” indicates that the class is offered during the second 5 or 8 weeks of the semester/term.
- “Third” indicates that the class is offered during the third 5 weeks of the semester/term.

Course Repetition

Repetition of courses must be conducted in compliance with California Title V Regulations, Sections 55040 through 55046. A course may be repeated up to two times at any of the Los Rios colleges for which a notation of D, F, NC (No Credit), NP (No Pass), or W (Withdrawal) was earned. This regulation is effective across the district at all Los Rios colleges. If you took a class at any of the Los Rios colleges - American River, Cosumnes River, Folsom Lake, or Sacramento City, this counts as one of your three attempts.

Exceptions to the regulation are as follow:
- The college finds that the student’s most recent previous grade is, at least in part, the result of extenuating circumstances. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the student’s control. This is a one-time exception.
- A student may repeat a course because there has been a significant lapse of time since the student previously took the course based on the established recency for that course. Grades awarded for courses repeated under this circumstance shall not be counted when calculating a student’s grade point average. This is a one-time exception.
- Courses designated as “repeatable” are those listed as such in the college catalog and are designed to enhance students skills or performances through supervised repetition. These include: (a) courses where the content differs each time it is offered; (b) activity courses where the student continues or builds on skills or proficiencies by supervised repetition and practice in class; (c) courses in music, fine arts, theatre or dance which are part of a sequence of transfer courses. In all of these cases, students can take the course a maximum of four times.
- Students may repeat courses listed the college catalog as such to meet a legally mandated training requirement as a condition of continued paid or volunteer employment. These repetitions are not limited and are granted based on the college’s verification of established legal mandates.

Unit load

A full-time student must enroll in and complete a minimum of 12 units. The standard program (load) for a full-time student who plans to graduate in two years is 15 units per semester. The maximum load is 18 units for the semester. Students who wish to enroll full time in the summer must enroll in 8 units. Students who wish to enroll in more than 18 units in fall or spring, or 8 units in summer, must file a student petition with the Dean of Enrollment Services, prior to adding additional classes. The standard load for students who work full time is 6 units or less. If you work full time you should limit your unit load to match the amount of study time available to you. Students who plan to participate as athletes in intercollegiate sports must be enrolled in a minimum of 12 units to be eligible for the sport.

Withdrawal

A student may officially drop a class without notation (a “W” grade) on the permanent academic record/transcript prior to the point in which 20% of a class has occurred. These important dates are available at http://www.losrios.edu/lrc/lrc_calend.php (click on the appropriate semester, then click on “Click here for more information, including start/end dates, drop/add dates”). Withdrawals occurring after this time, and before the point in which 75% of the class has occurred, shall result in a “W” notation on the permanent academic record/transcript. Official withdrawals are those that have been processed via eServices or by staff in the Admissions and Records Office.

A “W” grade on the permanent academic record/transcript is used for determining Progress Probation and Progress Dismissal. No withdrawals are permitted during the last 25% of a course, except due to extenuating circumstances (verified cases of accidents, illness or other circumstances beyond the control of the student), for which a student may request withdrawal through the student petition process. After consultation with the instructor and with administrative approval, the grade may be recorded as a “W” rather than as a less than satisfactory or failing grade on the permanent academic record/transcript. In all other cases, after the 75% date, a student will receive a grade in the course.

Military withdrawal is available for students who are members of an active or reserve military service, and who receive orders compelling a withdrawal from courses. Students requesting military withdrawal must file a student petition and include supporting documentation.

Medical withdrawals may be considered when supporting documentation is provided along with a student petition.
Grades and grade point average (GPA)

At the end of each semester/term, the instructor reports your grades for every enrolled course. The grading standards, with their grade-points, are:

- A: Excellent, 4 grade points per unit
- B: Good, 3 grade points per unit
- C: Satisfactory, 2 grade points per unit
- D: Passing, less than satisfactory, 1 grade point per unit
- F: Failing, 0 grade points, no units earned
- CR: Credit (C or better), not computed in GPA, but affects progress probation and dismissal
- P: Pass (C or better), not computed in GPA
- NC: No Credit (less than C), not computed in GPA, but affects progress probation and dismissal
- NP: No Pass (less than C), not computed in GPA but affects progress probation and dismissal
- I: Incomplete. Has not completed all the work for the class and instructor has agreed to allow student to complete work at a later date, at which time a final grade will be assigned. An Incomplete is not computed in GPA, but affects progress probation and dismissal. Student has one year in which to complete the coursework.
- IP: In Progress. The course is longer than a semester and a student must re-enroll in the course the subsequent semester. When you have finished the course, the grade will be changed to A-F and units earned.
- W: Withdrawal. The student has been officially dropped from the class by the deadline shown in the calendar elsewhere in this schedule. A “W” is not computed in your GPA, but affects progress probation and dismissal.

Withholding student records

The college reserves the right to withhold transcripts and records, and to prevent enrollment if a student has any outstanding obligation, such as:

- Nonpayment of fees
- Outstanding debt or missed payments on Federal student aid, Cal Grant, Federal student loan
- Fines for overdue books within the Los Rios district

You are advised to clear all debts and other holds on your record prior to enrolling in classes.

University of California and California State University

2011-2012 Intersegmental General Education Transfer Curriculum (IGETC)

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need, after transfer to take additional lower-division general education courses. The course requirements for all areas should be completed before transfer. All courses must be completed with grades of “C” or better.

NOTE: Student must see a counselor to have this pattern certified before transferring. Students who have selected a specific campus for transfer should consult with an ARC counselor before following the IGETC pattern.

CSU/UC will always accept completion of general education coursework at certifying institutions provided the course was on an approved IGETC requirement list at the time it was completed.

Advanced placement (AP) and International Baccalaureate Examinations are appropriate for inclusion in the IGETC. See AP/IB Test Scores Chart in the Getting Started section of the ARC catalog.

2011-2012 California State University transfer requirements

Check with your ARC counselor before choosing whether to complete the CSU General Education (GE) Pattern or the Intersegmental General Education Transfer Curriculum (IGETC) on the following pages.

Requirements for the Bachelor’s Degree

The degree requirements at a California State University (CSU) consist, in general, of: (1) the general education requirements which are required of all degree candidates; (2) the major department requirements which are a part of the student’s field of specialization; (3) individual campus graduation requirements, and (4) state law requirements. These requirements are classified in two levels: lower division and upper division. Students may transfer a maximum of 70 lower division semester units which may involve preparation for the major and all of the lower division in the general education pattern while attending American River College.

General education requirements 2011-2012

To be eligible for graduation with a Bachelor’s Degree from a California State University, students must complete a minimum of 48 semester units of general education. At least 9 units must be upper division courses completed at the four year university American River College will certify completion of 39 lower division general education units for students if they follow the pattern outlined below. It is important that students complete the required courses for their major, or courses that prepare them for their major, prior to transfer; 60 transferable semester units are needed for a student to transfer with junior standing.

Advanced Placement (AP) and International Baccalaureate Examinations are appropriate for inclusion in the General Education breadth list. See AP (Advanced Placement) Test Scores chart in Getting Started section of the ARC catalog.

Note: Students must meet with a counselor in order to have their CSU General Education certified prior to transfer.

Campus security

Safety at American River College is everybody’s business. Students, staff and faculty are partners with the college in creating an atmosphere that is safe and encourages learning. American River College is a diverse community within a community. During the school year, we have over 35,000 students, 400 full-time faculty, over 450 part-time faculty and a support staff of 223 working together. At the same time, the college is very much a part of the greater Sacramento metropolitan area.

The college, in accordance with its mission statement, is a community center for lifelong learning through education, cultural, and recreational programs. Many community members visit and use the services the college offers seven days a week. The college strives to be accessible to the community and welcomes the use of its facilities.

No community, of course, can be totally risk-free in today’s society. American River College strongly believes it has a major role in providing a safe learning environment, but, also, is realistic enough to recognize that students, staff and faculty must come together in a strong partnership and use common sense precautions to reduce the opportunity for criminal/anti-social activities. Crime happens in our society. We have no magical formula to stop it at our campus. Thefts, assaults and other crimes happen at American River just as at any other college campus.

To reduce the possibility that any student may be exposed to potential hazards, American River College has taken many steps, described herein, to reduce whatever risks there may be. All of us can further reduce risks by thinking about personal safety and taking common sense precautions.

Safety programs at American River College are under the direction of the Director of Administrative Services. We have a proactive approach to campus safety that is best viewed as education, prevention and our ability to respond to questionable events.
Education

The key to crime prevention is an awareness gained through education. At American River College, the College Police department, staff, faculty and students work together and take responsibility for their own safety and are ready to help others in time of need. This is a very potent force.

The vast majority of incidents on college campuses can be avoided if the college population recognizes they are potential victims and take basic precautions, such as using the “buddy system” when walking at night, locking car doors and not leaving valuables unattended. The College Police department is available to meet with groups or individuals and discuss anti-crime tactics or any anti-social activities.

American River encourages reporting of all crimes, even minor crimes, and any suspicious activity. The College Police department would rather have a hundred unfounded calls of suspicious activities than miss one call when a crime is occurring. We need to know about crimes that occur. If we are not informed of a crime, we cannot advise and help students and staff. Crimes occurring on campus should be reported immediately to a College Police Officer.

When appropriate, the College Police will contact the Sacramento Sheriff’s department for assistance and/or to conduct an investigation. A College Police report will be made; a copy of the report will be made available to the reporting individual provided he/she is the victim of the crime. Officers may be contacted by telephone or by coming to the College Police office located on the west side of the Gym parking lot.

College Police officers are available to address classes about prevention of crime. Additionally, the Student Association has hosted forums on crime prevention at which outside experts as well as college police officers have offered common-sense approaches to avoid becoming a victim of a crime.

American River College offers a major in Chemical Dependency Studies which is accredited by the California Alcoholism and Drug Counselors Educational Program. American River College is committed to a drug-free campus. Violators will be subject to disciplinary procedures.

Forums are held throughout the year by the campus Health Center and Student Association on issues of substance abuse. A special program, the Beaver Athletic Assistance Program, has been developed to offer support and advise to student athletes on drug and alcohol abuse. The college offers its facilities for weekly meetings of Alcoholics Anonymous and Narcotics Anonymous. These meetings are offered at times convenient for students and advertised widely to students.

Prevention

The college actively supports crime prevention through a number of programs. These include:

- **Emergency automotive assistance.** While not recommended, campus police officers are equipped and trained to start cars with dead batteries or unlock non-electric car doors when keys have been left inside the automobile. Proper identification is required for the performance of these services.

- **Lighting.** A major effort has been made to upgrade the lighting in the interior of the campus to reduce areas of darkness. Continuing progress is being made on upgrading the lighting in campus parking lots.

- **Firearms.** Firearms are not permitted on campus except for professional law enforcement officers. Persons with firearms on campus will be subject to disciplinary action.

- **Alcohol.** Consumption of or being under the influence of alcohol while on campus is strictly prohibited. Violators are subject to suspension, expulsion and/or criminal prosecution.

- **Emergency telephones.** Outdoor emergency telephones are strategically located throughout the campus. These phones are marked and easily identified by a blue light. When accessed, these emergency telephones will automatically connect the caller to the College Police department.

- **Illegal drugs.** The use, sale, or possession on campus of, or presence on campus under the influence of, any controlled substance is strictly prohibited. Violators are subject to suspension, expulsion and/or criminal prosecution.

- **Sexual harassment.** Sexual harassment in any situation is unacceptable and is in violation of state and federal laws and regulations. Corrective action will be taken where evidence of sexual harassment is found.

- **Hate violence.** Any act of physical intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or groups of persons, or the property of any person or group of persons because of the ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political or religious beliefs of that person or group will not be tolerated.

This information is updated annually and is available to all students, employees and applicants. Additional information is available from College Police personnel. Any serious crime involving potential bodily harm will be reported promptly to staff and students.

**Campus security**

- **Firearms.** Firearms are not permitted on campus except for professional law enforcement officers. Persons with firearms on campus will be subject to disciplinary action.

Appropriate action will be taken where evidence of hate violence is found.
• **Sexual assault.** In accord with California Education Code section 67385, students, faculty and staff who are victims of sexual assault committed at or upon the grounds of or upon off-campus grounds or facilities maintained by the college shall receive information and referral to treatment. The campus procedure relative to incidents of sexual assault is contained in student/staff handbooks, class schedules and in the counseling and campus health centers.

• **Computer Related Crimes.** Tampering, interference, damage and unauthorized access to lawfully-created computer data and computer systems is a violation of Penal Code 502 (LRCCD Policy 2441.)

**Response**

American River College employs P.O.S.T. certified police officers and community service officers who have public safety experience and are sworn peace officers under California Education Code 72330. While on campus, they are empowered to conduct investigations and make arrests for violations and infractions they observe. They are responsible to assist in providing a safe campus environment, detecting and reporting safety/fire hazards, enforcing traffic and parking regulations, and promoting crime prevention. All campus police officers have current certification in CPR and first aid.

The officers patrol in fully equipped vehicles and are dispatched through a central communication center. At those times when there is no dispatcher (after 10 p.m. and on weekends), the officers are available by cellular telephone at 764-7860.

The College Police department coordinates its activities with the Sacramento Sheriffs department. All officers are in radio communication with the Sheriff’s department while on duty.

**Student rights and responsibilities**

(http://web.arc.losrios.edu/stusrvc/Student_Rights_Respons.pdf)

**I. Preamble**

(Approved by the Los Rios Community College Board of Trustees, June 3, 1970, revised March 6, 1996).

LRCCD Policy 2411 describes students’ rights and responsibilities and is based upon three basic principles.

A. College students are members of the academic community. While students enjoy the benefits of their status, they must comply at all times with Federal and State laws and statute, and with Los Rios policies and regulations and individual rules and regulations.

B. The president of a college in the district serves as the chief administrator of the college and is responsible for the overall supervision of the operation of the college in conformity with the directives and duties as defined by the district chancellor and consistent with the policies of the Board of Trustees.

C. There is a clearly recognized need for continuing discussion, interpretation, careful study and review by student, college and district personnel and the Board of Trustees of the effects and execution of the policy on student rights and responsibilities.

**II. Students’ rights**

In the context of these principles, students’ rights consist of the following:

**STUDENT PUBLICATIONS**

A. In preparing student publications, the editorial staff and faculty advisors shall be free from censorship and advance copy approval except as provided by published district policy, statutes, or campus regulation. These publications shall:

   1. Adhere to canons of responsible journalism, such as avoidance of libel, obscenity undocumented allegations, attacks on personal integrity, and the techniques of harassment and innuendo.
   2. State on the editorial page that the opinions expressed are not necessarily those of the college or the student body.

**SUPPORT CAUSES**

B. Students shall have the right to take stands on issues, the right to examine and discuss questions of interest to them, and the right to support causes by orderly means which are in harmony with the regular functioning of the institution.

**FREE ASSEMBLY**

C. Students shall have the right to hear speakers on any subject and on-campus recognized student organizations shall have the right to present speakers on any subject. In addition, students shall have the right of free assembly on each campus subject to regulations that assure the regular functioning of the institution. The policies and regulations shall include reasonable provisions for the time, place and manner of conducting these activities, but shall not prohibit the right of students to exercise free expression including, but not limited to, the use of bulletin boards, the distribution of printed materials or petitions, and the wearing of buttons, badges and other insignia. Expression which is obscene, libelous or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or the violation of lawful district or college regulations, or the substantial disruption of the orderly operation of the college, shall be prohibited. These regulations shall be published in the college catalog, the student handbook, and by any other means designed to notify and inform affected persons.

**FREE TO ORGANIZE**

D. Students shall have the right to form an organization around any particular interest; this right will include the freedom to organize and to join student organizations subject to published campus and district regulations.
VOICE IN DECISION MAKING
E. Students shall have the right to be informed on all
   campus matters that can be shown to be directly
   relevant to them with the exception of staff appointment,
   termination and tenure. In case of conflict in
determining what campus matters are relevant to
students, the determination will be made by a campus-
designated student, faculty, administrative committee.
In addition, student representatives shall be members
of all faculty and administrative committees related to
students’ concerns; such student representatives shall
have a vote as committee members.

CONFIDENTIALITY
F. Students’ records will be released only on the written
   consent of the students or as provided by law.

ACADEMIC EVALUATION
G. Students shall have the right of protection against
   prejudiced or capricious academic evaluation.
   At the same time, however, students are responsible
   for maintaining standards of academic performance
   established in advance for each course in which they
   are enrolled.

GRIEVANCE PROCEDURE
H. Students shall have the right to file a grievance as
   outlined in the procedures of the District Student
   Grievance Policy, in the event of an alleged violation
   of their rights.

III. Students’ responsibilities

Admission to college assumes the expectation that the student will
be a responsible member of the college community; will obey the
law; comply with the published rules and regulations of the college;
respect the rights, privileges and property of the other members of
the college community; and not interfere with legitimate college
affairs. Students will assume the responsibility for their conduct.
In the case of student conduct which involves an alleged or proven
violation of criminal law, the disciplinary authority of the college
will not be used to duplicate the function of criminal authority.
Disciplinary action may be taken if the conduct also involves a
violation of district or campus policy.

IV. Standards of student conduct

The California Education Code requires every community college
governing board to adopt specific rules governing student behavior
along with applicable penalties for violation of such rules and
regulations. (Section 66300, Chapter 5 Rules of Student Conduct;
E.C. 76030 Authority to suspend or expel.)

All students enrolling at American River College assume
an obligation to abide by all College rules and regulations.
These regulations are described in the Los Rios Community College
District Board of Trustee Policies, Section 2440 Student Rights
and Responsibilities/ 2440 Standards of Conduct and Due Process.
Students who choose not to abide by these standards will be subject
to college sanctions and disciplinary measures.

The president of the college may authorize the suspension
of a student for good cause (E.C. 76033) which is defined for
numerous offenses which includes:

   disobedience, habitual profanity or vulgarity, or the open
   and persistent defiance of the authority of, or persistent
   abuse of, college personnel.
2. Assault, battery, or any threat of force or violence upon a
   student or college personnel.
3. Willful misconduct which results in injury or death to a
   student or college personnel or which results in cutting,
   defacing, or other injury to any real or personal property
   owned by the district.
4. The use, sale, or possession on campus of, or presence on
   campus under the influence of, any controlled substance.
5. Willful or persistent smoking in any area where smoking
   has been prohibited by law or by regulation of the
   governing board.
6. Persistent, serious misconduct where other means of
   correction have failed to bring about proper conduct.
7. Good cause is further defined, but is not limited to
   the following:
   a. Violation of college rules and regulations including
      those concerning student organizations, the use
      of college facilities, or the time, place and manner
      of public expression and distribution of materials.
   b. Obstruction or disruption of teaching, research,
      administrative disciplinary procedures or other
      college activities, including its community
      service activity, or of other authorized activities on
      college-controlled premises.
   c. Theft of or non-accidental damage to property of
      the college or a member of the college community
      or campus visitor while on campus or at college-
      sponsored events.
   d. Unauthorized entry to or use of college facilities.
   e. Dishonesty, such as cheating, plagiarism or
      furnishing false information to the college,
      forgery, alteration or misuse of college documents,
      records or identifications.
   f. Knowing possession or use of explosives, dangerous
      chemicals or deadly weapons on college property or
      at a college function without prior authorization of
      the College President or designated representative.
Rights and responsibilities

No student shall be removed, suspended or expelled unless the conduct for which the student is disciplined is related to college activity or college attendance, or pursuant to Penal Code Section 502 or other laws specifically authorizing such.

V. Student grievance policy

The student grievance procedure shall be available to any student who believes an action or decision of the district or college staff has adversely affected his/her status, and/or rights as outlined under II.

STUDENTS’ RIGHTS. Grievances relating to grades are subject to Education Code 76224 (a) which reads:

“When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student’s grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final.”

The complete text of the district’s policy, regulation and timeline on student grievance is available from the Dean of Counseling & Student Services. Students who wish to exercise a grievance can receive policy and procedural steps from the Student Development Office in Room 608 of the Portable Village, or from the office of the Dean of Counseling and Student Services. (Board of Governors Enrollment Fee Waiver)

- **BOGW** is an enrollment fee waiver program for California residents only. It does not require repayment.
- **BOGW** is not tied to any other financial aid programs, so it can be processed quickly and you will be able to register immediately.
- **BOGW applicants** will complete a simple application form available online at [http://www.losrios.edu/lrc/lrc_fin-aid.html](http://www.losrios.edu/lrc/lrc_fin-aid.html) or at the Financial Aid Office. Applicants may be asked to provide proof of eligibility.
- CalWorks, SSI, General Assistance/General Relief recipients MUST bring an Aid Verification Summary form or provide a copy of their last check to the Financial Aid Office.
- If you meet specified household income standards, you qualify for BOGW.
- **If you are eligible to receive need-based Federal/State financial aid, you also qualify for BOGW.**
- You're encouraged to complete the BOGW prior to registration. If you are eligible, your enrollment fees will automatically be waived.
- **BOGW enrollment fee waivers** are valid for the Summer, Fall and Spring semesters each year. Only one application per fiscal year is required. ("Fiscal year” begins with each Summer session, and includes the Fall and Spring semesters.) Therefore, if you received a BOGW for Summer 2011, Fall 2011 and/or Spring 2012, you must reapply for the Summer 2012 or Fall 2012 terms.
