CalWORKs Student Eligibility Definitions

County Referred Participant:

This designation applies if the student is a CalWORKs/cash aid recipient, has at least one eligible child and was referred to the community college by the county welfare office and has an approved Welfare-to-Work (WTW) plan or is in the process of developing a WTW plan.

Self-Initiated Participant (SIP):

This designation applies if the student is a CalWORKs/cash aid recipient, has at least one eligible child and is attending the community college as a Self-Initiated Participant (SIP) and is or will be in the process of obtaining an approved WTW plan through their county welfare office. Refer to the California Department of Social Services All County Letter 99-32 for additional information on SIP criteria.

Voluntary Exempt:

This designation applies if the student is a CalWORKs/cash aid recipient, has at least one eligible child but has been exempted from participating in WTW activities by the county for a reason enumerated with an All County Letter or All County Information Notice.

Exempt Student (other):

This designation applies if the student is a CalWORKs/cash aid recipient, has at least one eligible child but has been exempted from participating in WTW activities. The college must have documentation in the student’s file proving the student’s exempt status and when the exemption will expire.

Post-Employment Participant:

This designation applies if the student is off cash assistance due to unsubsidized employment and is in compliance with their county welfare office. This would be a former CALWORKs/cash aid recipient who has completed their WTW plan or SIP and is employed but desires additional training. A student in this status cannot be one that is sanctioned by the county welfare office for not adhering to their WTW plan. The college must verify student employment at the beginning of each term.

If your student/customer does not fall into County Referred or SIP categories, please detail the student’s situation per Question 6b on the reverse side of this document or contact the respective CalWORKs office at the numbers provided.
