**Dual Enrollment Application N100 & N101
Spring 2022**

For consideration, ALL questions and blanks must be filled in using a black ink pen. This application is for dual enrollment into the Nurse Assistant (**N100**) course AND the Home Health Aide (**N101**) course. We are looking to fill both classes with 15 students in each. The first 13 weeks is the NA course and the final 8 days is the HHA course. Upon completion, you will receive **two (2) State of California certificates** and **9 college units of credit**. Indicate your interest in this dual enrollment below.

Print Clearly. All communication will be through the email you provide.

NAME (please use your legal first and last name)

ARC Email Address: _____

I have included an unofficial copy of my transcripts indicating I meet the AH311(110) pre-requisite: Y___ N___
I have read the instructions provided regarding requirements and deadlines: Y___ N___

In your own words and in your own handwriting, please tell us why you would like to attend the ARC's NA and HHA courses in the Spring 2022?

I understand that the NA and HHA programs at ARC require I attend all scheduled classes, labs and clinical. I also understand that the 17-week courses cover over 25 chapters, over 20 skills and a large commitment of time studying. I vouch that I can fully participate and am committed to being successful.
