  - Early Childhood Education (/2020-2021-catalog/programs-of-study/list-of-programs/early-childhood-education)
Anthropology

OVERVIEW

Anthropology is the study of humankind around the world and throughout time, with the goal of understanding our evolutionary origins, our biological distinction as a species, and our diverse manifestations of culture. This degree provides students with basic skills in critical analysis, application of the scientific method, and cross-cultural understanding.
