Early Childhood Education (/2020-2021-catalog/programs-of-study/list-of-programs/early-childhood-education)
The American River College Library courses teach vital research skills that enable students to achieve success in their college classes, their careers, and their day-to-day lives. Students will learn research skills to cope with the information rich environment in which they live. In particular, students will learn how to find and critically evaluate information from a wide variety of sources to meet their information needs.
