

## Immunizations/Titers Resources-LRCCD

Below is a list of immunization resources in the community. Keep in mind, if you have health insurance, they may be more affordable. Each campus has a find help link where you can search for even more resources. Please click on your campus to access the link: [American River College \(ARC\)](#), [Cosumnes River College \(CRC\)](#), [Folsom Lake College \(FLC\)](#) and [Sacramento City College \(SCC\)](#). If you need further assistance, make an appointment to speak with the campus nurse through the patient portal at <https://ssosw.losrios.edu/idp/profile/SAML2/Redirect/SSO?execution=e1s2>

**Employees-** Health and Wellness Services can provide TB Risk Assessment remotely by appointment through the [LRCCD Health and Wellness Patient Portal](#). *Note: If you have had a prior positive TB test this clearance must be completed by a physician, physician's assistant or nurse practitioner and cannot be done by Health and Wellness Services.*
